**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a amateur radio license holder (call sign AI6AS) I need reliable, inexpensive internet service. I choose Sonic as my ISP due to their fir prices and their reliable service. I have had many other ISP's in the past and none have been as good as Sonic and I would like to keep them as my provider.

Competition is important due to the nature of business being what it is. Monopoly is never good for the consumer, in fact it's down right communistic.

As it is I do not have fiber service as I live in a big city. The phone company does not see fit to provide fiber to me.
